Subject:	Clinical Executive (CLEX) Committee Chair's Report
Presented by:	Dr Tina Ariffin, Governing Body GP Member
Submitted to:	NHS West Norfolk CCG Governing Body, 1 st August 2019
Purpose of Paper:	For noting
<p>Report from the Clinical Executive 2nd July 2019</p> <p>Antimicrobial Stewardship</p> <p>A discussion took place on the current trend in C Difficile rates which is worrying and impacts both primary and secondary care. Sarah Jane Ward will prepare a paper for the August meeting.</p> <p>Prescription Ordering Direct service</p> <p>There was a presentation of the new Prescription Ordering Direct service by Lois Taylor which has been very successful in Great Yarmouth and Waveney CCG in both reducing wastage and increased savings. The paper was approved by the committee. There is a plan to introduce it to West Norfolk and will be starting with practices in Kings Lynn.</p>
