A first step -

Towards a better service

Who we are...

We are the Cancer Services User Group for The Queen Elizabeth Hospital catchment area.

A group of cancer patients, carers and health professionals who meet four times a year.

All of our members have a direct experience of living with cancer, treating cancer or supporting those affected by cancer.

We are committed to the improvement of cancer services.

Our members bring a wide range of skills and experience.

What we do...

- We listen and consult with people whose lives have been affected by cancer.
- We work on behalf of patients and carers to improve services.
- We lobby health care professionals.
- We are involved in committees and planning meetings, representing patients and carers.
- We bring the experiences of people affected by cancer to the attention of the appropriate decision makers.

What you can do...

- Join our group.
- Tell us of your experiences, good or bad.
- Help cancer patients now and in the future.
- Give something back to the community.
- Help us to understand patients better.
- Use your voice to address issues that will make a positive difference to people affected by cancer.
