

Freedom of Information request & West Norfolk CCG response

WN-2015-00037 – CCG Schemes & Programs

I am writing to you on behalf of NHS North Norfolk, NHS West Norfolk and NHS Norwich Clinical Commissioning Groups with a response to the information you have requested pursuant to the Freedom of Information Act (2000). I have been instructed that the CCGs would like to respond as follows:

- **Which schemes/programs your CCG is involved with.**
- **What products they relate to.**

NHS North Norfolk CCG, NHS West Norfolk CCG and NHS Norwich CCG have rebate agreements with the following products:

| Products on Rebate | Norwich | W Norfolk | N Norfolk |
|-----------------------------------|---------|-----------|-----------|
| Cetraben | ü | ü | x |
| Dabigatran (Pradaxa) | ü | ü | ü |
| Diabetes monitoring equipment | ü | ü | ü |
| Enteral Feeds | ü | ü | ü |
| Fencino patches | ü | ü | x |
| GlucRx FinePoint pen needles | ü | ü | ü |
| GlucRx Lancets | ü | ü | ü |
| Insuman Insulin products | ü | ü | ü |
| Sanofi Insulin Portfolio | ü | ü | ü |
| Seretide (fluticasone/salmeterol) | ü | ü | ü |
| SIP feeds | ü | ü | ü |

| | | | |
|----------------------------------|---|---|---|
| Testim (Ferring Pharmaceuticals) | ü | x | x |
| Zoladex | x | x | ü |

- **What methods you deploy to implement the schemes. E.g. Script switch.**
 - *Scriptswitch is used to help implement the rebates, but not all Norfolk practices have Scriptswitch installed.*
 - *Practice based pharmacist and technicians help implement rebate scheme.*
