

## Freedom of Information request & West Norfolk CCG response

### WN-2015-00036 – IT server, storage and networking maintenance support contracts

I am writing to you on behalf of NHS South Norfolk, NHS West Norfolk and NHS Norwich Clinical Commissioning Groups with a response to the information you have requested pursuant to the Freedom of Information Act (2000). I have been instructed that the CCGs would like to respond as follows:

- Existing supplier - if there are various suppliers please split up into individual contracts
- Hardware/vendors brand
- Contract description
- Total value of the contract - please state if you have provided an annual figure
- Duration of the contract - please provide me with a particular month as well as the year and details of whether there are any extension periods or break clauses within the contracts
- Expiry date of the contract - please provide me with a particular month as well as the year
- Contract review date - please provide me with a particular month as well as the year.
- Internal contact responsible for reviewing and renewing contracts - please provide me with their full name, job title, direct contact number and direct email address.

*The CCGs procure ICT services from the North East London Commissioning Support Unit. An FOI for this information can be raised direct with them on their FOI contact email shown on their website on the following link: <http://www.nelcsu.nhs.uk/aboutus/foi.htm>*

- Procurement - please provide me with details of any procurement portals that you may use to purchase from or whatever other methods you use.

*The CCGs would use Bravo e-sourcing portal to undertake the procurement activities. In accordance with NHSE guidelines, and if appropriate, we would source the solutions via the range of Crown Commercial Service framework agreements for IT products and services.*
