

## Freedom of Information request & West Norfolk CCG response

### WN-2015-00100 – Eligibility for Services

- Has the CCG introduced, or is it planning to introduce, new limits to access/eligibility for services during 2015-16, for financial/efficiency/value reasons?
- Is your CCG planning to introduce new limits to access/eligibility for services during 2016-17, for financial/efficiency/value reasons?
- If you responded 'yes' to either of the previous questions, please state your plans for limiting access/eligibility.
- If you responded 'yes' to either of the first two questions, how much money do you estimate this will save?

*The CCG does not acquire services subject to a cost only evaluation, but instead to a combination of pricing and qualitative evaluation criteria, in all cases to establish the most economically advantageous service in terms of value for money*
