WN-2015-00125 – Growth Hormone Guidance

1. We have the following formularies listed as used by your organisation. Please confirm if they are correct and if not, please provide a link/copy of relevant formularies.

Norfolk and Waveney Formulary - Yes

2. Please provide a copy or link to any supporting guidelines containing growth hormone product prescribing recommendations that are in addition to the published formulary. If none are available, please confirm if they are currently being developed/drafted.

For growth hormone the Norfolk CCGs follow regional guidance from the Priorities Advisory Committee PrescQIPP. Note this is currently being revised in collaboration with all regional Trusts and a new policy is likely to be published in next 3 months

3. Where guidelines are held in addition to the published formulary, please confirm which has dominance when prescribing growth hormones.

As above
