

## Freedom of Information request & West Norfolk CCG response

**WN-2015-00159 – Child Health Record Department contact.**

**Can you please confirm your (CHRD) Child Health Record Department email contact. We are planning to send our Newborn Bloodspot screening reports electronically.**

*NHS South Norfolk CCG and NHS West Norfolk CCG do not hold the information you have requested. The CCGs are commissioning organisations and do not have a Child Health Record Department, this is provided by our community provider (NHS Norfolk Community Health & Care Trust ([NCH&C](#)) and the service is commissioned by [NHS England](#). You may find it useful to direct any further queries via their FOI service.*
