

Freedom of Information request & West Norfolk CCG response

WN-2015-00197 – GP Out of Hours

I am looking to get information for the current supplier of GP out-of-hours for your CCG. Ideally I would like this to include the following basic information:

1. Start Date
2. End Date
3. Value
4. Name of Supplier
5. To include the same details for the previous contract award prior to the current iteration if available
6. Any other details (e.g. if this is linked to NHS111, Urgent Care or Walk-in Centre or even if these are opted-out in the locality)

I would also like the same details for the NHS111 contracts separately. If any of these details are outside of an FOI request than please confirm.
