WN-2015-00201 – Executive Staff Members

1. How many executive members of staff are there at the CCG?

The term senior managers is used to refer to executive managers within the Annual Report. NHS West Norfolk CCG senior managers are those which the Chief Officer has defined as Governing Body Members and regular management attendees of Governing Body Meetings. These are the Chief Officer, Chief Financial Officer, Director of Operation and Head of Clinical Quality.

2. How many of the executive members of staff work as interims and in which positions?

None

3. For each individual interim executive, how long is their contract due to last?

n/a

4. For each individual interim executive, how much is their daily and weekly rate of pay?

n/a

5. For each individual interim executive, how much would the salary be for a permanent member of staff in the same position?

n/a

Clarification

By executive level I mean managerial roles, so director and above.
