

## Freedom of Information request & West Norfolk CCG response

### WN-2015-00205 - GP networks operating within WNCCG

GP networks operating within WNCCG.

By GP network I am referring to the following or similar types of organisations:

- Collaborations - Involving 2 or more practices working together
- Alliance – A union of GP practices formed for mutual benefit
- Federation – An organization or group of practices which have some degree of internal autonomy

If you could provide me with the website of any such networks as well as an email address and contact number it would be greatly appreciated. Where possible could you specify which of the above categories they fall into.
