

1. What level of investment have you allocated in 2015/16 to ensure that the maximum waiting time standards in Early Intervention in Psychosis and access to psychological therapies are met by April 2016?

No specific additional funding was allocated in the NSFT 2015/16 contract.

2. Has the CCG board made an assessment of the level of investment required to ensure that the maximum waiting time standards in Early Intervention in Psychosis and access to psychological therapies are met by April 2016? If the answer is 'yes', what level of investment is required?

The CCGs are in the process of discussing with NSFT the additional funding required.

3. What percentage of people referred for psychological therapies for the treatment of common mental health problems started their treatment (a) within 6 weeks and (b) within 18 weeks of being referred?
