

Freedom of Information request & West Norfolk CCG response

WN-2015-00230 – Norfolk Medicines Formulary

When are the review dates for the following classes of drugs within the [Norfolk Medicines Formulary](#)? All three classes are included in the Endocrine system.

- SGLT-inhibitors
- DPP4-inhibitors
- GLP-1 agonists

NHS West Norfolk CCG's diabetic formulary (which includes all three drugs) is due for review in August 2016
