

Freedom of Information request & West Norfolk CCG response

WN-2015-00239 – Minutes of Therapeutics Advisory Group & Prescribing Reference group

I would like to request meeting minutes of Therapeutics Advisory Group (TAG) and Prescribing Reference Group (PRG) from the past.

Clarification

I am not sure how many years you hold this information for, but it would be good if you can send it at least from 2011 please. If not, then please send for as many years as you have please.

Please note, CCGs only came into existence from 1 April 2013 therefore information prior to this date is not held.

Please refer to WN-2015-00239a which is a summary of decisions completed by NEL Commissioning Support Unit who administer the TAG and PRG groups on behalf of the Norfolk and Waveney CCGs. The summary lists all recommendations confirmed in the last update in January 2016. This document is applicable for NHS Great Yarmouth & Waveney CCG, NHS North Norfolk CCG, NHS South Norfolk CCG, NHS West Norfolk CCG and NHS Norwich CCG. If you require the full minutes of any given time from 1 April 2013 onwards, it is advised you refine your request to cover a shorter space of time (i.e. over the space of a couple months) to enable to CCG to appropriately respond.
