

## Freedom of Information request & West Norfolk CCG response

**WN-2015-00257 – GP within West Norfolk CCG site**

**Please provide me with the total number of general practitioners (GPs) working for all your CCG sites. All that I need is just a total figure, not their personal details. I would like to use this information for research purposes.**

*NHS West Norfolk CCG is a commissioning organisation and do not directly employ clinical staff. A list of the CCG's staff can be found on our [website](#). If you are seeking the total number of GPs, it is advised you contact [NHS England](#) who may hold this information as they are main commissioner of primary care services and hold the GP contract.*
