

## Freedom of Information request & West Norfolk CCG response

### WN-2016-00092 – Gainshare agreements between CCG and Provider

1. For your CCG, are there any gainshare agreements in place between you the CCG and a provider (e.g. hospital trust)?

Yes

A gain share agreement is one where the benefits associated with more efficient use of medicines not reimbursed through national prices is shared between the provider and the clinical commissioning group party to the agreement

If “Yes”, then please provide the following details:

- **Disease area**

*Dermatology*

*Gastro-Intestinal*

*Rheumatoid Arthritis*

- **Provider included in the gainshare agreement**

*Norfolk & Norwich University Hospitals NHS Foundation Trust*

*The Queen Elizabeth Hospital King's Lynn NHS Foundation Trust*

*James Paget University Hospitals NHS Foundation Trust*

- **Names of any specific drugs involved**

*Infliximab and Etanercept*

- **How will savings be apportioned between you the CCG and the provider?**

*50-50 gainshare*

**2. Who (what position or job role/department) within the CCG is responsible for agreement?**

*Medicines Management Department, Interface Pharmacist.*

*Please note, the CCG commissions NEL Commissioning Support Unit (NEL CSU) to assist with the medicines management function however, the decision to take up a gainshare agreement will be jointly decided by the CCGs and Trusts.*
