

Freedom of Information request & West Norfolk CCG response

WN-2016-00122 – Competitive Tenders

1. What number and value of contracts were let by competitive tender for NHS clinical services over each of the last three years (2013/14, 2014/15 and 2015/16)? Where a contract is let for multiple years, please provide the appropriate value for that year.

Please see the attached file.

Please note, the contract values provided have been rounded up.

2. Of the services awarded by competitive tender, what number and percentage were awarded to an incumbent provider?

Please see the attached file.

3. Of the services awarded by competitive tender, what was their percentage financial value in relation to total CCG spend on NHS clinical services in each of these three years.

Please see the attached file.

4. For these contracts, how was the requirement under the National Health Service Act 2006 – to record information about how the award of all contracts let by the CCG complies with statutory duties under that Act – met?

Please see the attached file.

For the first two questions, please also specify the number and value of contracts awarded to either NHS or non-NHS providers.

Please see the attached file.
