

## Freedom of Information request & West Norfolk CCG response

### WN-2016-00125 – Delayed Care or Refusal of Treatment

I would like to know if you have delayed care or refused any form of treatment, procedure or surgery, for patients on the grounds that they smoke or because they are obese.

<i>Financial Year</i>	<i>Number of patients who have been rejected treatments due to obesity/smoking.</i>
2013/14	0
2014/15	0
2015/16	<5

*Please note, where figures are below 5 a range (<5) has been provided to avoid the risk of patient identification.*

**Please let me know if this has happened during this current financial year, and also if this has happened in the 2015/2016 financial year.**

*Please see the response provided above.*
