WN-2016-00160 – Children and Young Peoples Mental Health

In the March Budget 2015, an extra £1.25bn funding for children and young people's mental health services was announced. Out of this, [£119 million was included in CCG baseline allocations](#) for 2016-17. The attachment 'Table 1_CYP Mental Health' contains a breakdown of the £119 million by CCG.

1. Did your CCG receive the amount specified in Table 1 in 2016-17? If not, how much was received?

The CCG has not received any specific funding for CAMHS, the money is in the CCG's baseline so the CCG has not received additional funds. However, there was an indicative allocation which does tally with the figures quoted on the table.

2. How much of this funding did your CCG spend on children and young people's mental health services in the first half of 2016-17 (i.e. 1st April 2016 to 30th September 2016)?

£50,007

3. How much of this funding does your CCG expect to spend on children and young people's mental health services in total in 2016-17?

£106,844

In the Autumn Statement 2014, an extra £150 million funding for children and young people's eating disorder services was announced. Out of this, [£30 million has been allocated to CCGs in 2016-17](#). The attachment 'Table 2_Eating Disorder Services' contains a breakdown of the £30 million by CCG.

- 4. Did your CCG receive the amount specified in Table 2 in 2016-17? If not, how much was received?**

The CCG has received the Eating Disorder allocation shown in table 2 as specific funds, while no specific funding was received for CAMHS, there was just an indicative allocation which the CCG were advised was part of the baseline allocation.

- 5. How much of this funding did your CCG spend on children and young people's eating disorder services in the first half of 2016-17 (i.e. 1st April 2016 to 30th September 2016)?**

£49,900.07

- 6. How much of this funding does your CCG expect to spend on children and young people's eating disorder services in total in 2016-17?**

£99,800
