

Freedom of Information request & West Norfolk CCG response

WN-2016-00235 – Algorithm Pathway

Do you have an algorithm/pathway/guideline for the treatment of rheumatoid arthritis, axial spondyloarthritis and psoriatic arthritis?

If yes, can you send me a copy of each of them please? And, can you also confirm the review dates for each of these?

Please see WN-2016-00235a.

Who should I contact at the CCG so that I can share relevant data with the CCG for these conditions in relation to UCBs products and services? Please can you provide the name, job title and contact email and telephone number?
