

Freedom of Information request & West Norfolk CCG response

WN-2016-00277 – Antimicrobial Stewardship

1. Do you have a named individual in place responsible for your local antimicrobial stewardship programme?

Yes

2. Has your CCG fully implemented all components of the RCGP TARGET Antibiotics Toolkit?

No, the CCG have not specifically used all these resources but have done it's equivalent (<http://www.rcgp.org.uk/TARGETantibiotics>)

3. Has your CCG fully implemented NICE Guideline 15 on Antimicrobial Stewardship?

Yes

4. What plans does your CCG have to implement C-Reactive Protein Point of Care testing within your local area?

The CCG have completed a pilot in 3 practices which will be reviewed and this will be used to inform a business case for rolling this out to the whole CCG.
