WN-2017-00049 – Translation Services

Who does the CCG use for Translations and Interpreter's. What named individual is responsible for deciding this?

The Norfolk and Waveney CCGs are members of the INTRAN Partnership Board and therefore contract with INTRAN for translation and interpreter services. This is led by the Engagement Manager for NHS Norwich CCG on behalf of the Norfolk and Waveney CCGs. NHS Great Yarmouth and Waveney CCG are the lead commissioner for INTRAN services for primary care.
