

## Freedom of Information request & West Norfolk CCG response

### WN-2017-00065 – CCG Rebate Agreements

I would like to request the list of pharmaceutical products/medicines/drugs that your CCGs currently holds rebate agreements for. If possible, can you also provide the corresponding rebate start dates as well please?

I understand that the financial details of the rebates would be considered commercially confidential but have been advised that the existence of a rebate with a product does not fall within a section 42 exemption. So, I am only requesting the product names and the rebate start dates.
