

Freedom of Information request & West Norfolk CCG response

WN-2017-0178 – MSK Services

- 1. Please can you specify what services for example: MSK/Orthopaedics, physiotherapy, Rheumatology etc, form part of your Integrated Musculoskeletal Service and indicate the level of clinical leadership for each element e.g. consultant led, nurse led, ESP, GPwSI etc**

We do not have a fully integrated MSK service. MSK is provided by our community provider and acute hospital and we are currently procuring an MSK Triage service.

- 2. Please provide a copy of your current service specification for the integrated service and patient pathway(s)**

Not applicable.

- 3. In line with NHS England guidance on transparency, how does your CCG pay for the Integrated Musculoskeletal Service**
 - a. Block**
 - b. Cost and Volume**
 - c. PBR**
 - d. Local Price**

Not applicable.

- i) If Block contract please confirm the annual contract value for 2017/18 and indicative activity plan breakdown for first/follow up/procedure/treatment for the MSK and Physiotherapy elements of the service. Please also advise if you have included any tolerances for over and under performance in terms of activity?***
- ii) If local price, please provide a breakdown of what this local price is in comparison to PbR for each stage of the pathway(s)***
- iii) If local price,***
 - (1) Is this a pathway price***
 - (2) How is this pathway price determined***
 - (3) Breakdown of pathway price(s) commissioned***

4. Please confirm your first to follow up ratio for physiotherapy and MSK

Physiotherapy (acute) data not available

T&O Ratio 1.2

Rheumatology Ratio 3.7
