WN274 – Expenditure over £25,000

Please will you provide files relating to disclosure of actual monthly invoice expenditure (Date, Amount, Supplier & Description) in CSV or XLS format for the months December 2013 until June 2014?

Ideally, I require information covering all levels of expenditure, however, information covering expenditure above £25,000 will suffice if necessary.

Alternatively, if the CCG currently publishes the information via your website please will you provide the relevant web page link?

Details of our expenditure over £25,000 for the period December 2013 – March 2014 can be found on [our website](#). The same details for the period for April 2014 – June 2014 is set out in the excel document attached.
