

Freedom of Information request & West Norfolk CCG response

WN286 – Mental Health Strategy

Firstly, I would like to know whether your Clinical Commissioning Group:

- has a written mental health strategy for its work - **No**
- is developing a written mental health strategy for its work - **No**
- or has no written mental health strategy for its work - **No**

Secondly, if a written mental health strategy has been written, I would like to receive a copy of this.

Please refer to above response.

For further information please refer to the WNCCGs Two and Five year Strategy accessible via the WNCCG [website](#).
