

Freedom of Information request & West Norfolk CCG response

WN324 - Sanofi-Aventis

1. **Internal correspondence within the relevant PCT related to the advice provided by Sanofi-Aventis including any documents that describe the nature of the advice provided by Sanofi-Aventis and including any copies of documents authored by Sanofi-Aventis including advice described above.**
2. **Notes of any internal meetings or telephone conversations within the relevant PCT on this subject.**
3. **Correspondence between within the relevant PCT and other PCT on this subject.**

In order to assist you in targeting your search and reduce the time and effort taken to identify the requested documents, we would be prepared for you to limit your search to documents **dated between 1 April 2009 and 31 August 2009.**

After conducting a thorough search, I advise that no relevant documents dated between 1 April 2009 and 31 August 2009 could be located.

We also request copies of prescribing guidance in relation to generic clopidogrel issued by the relevant PCT and/or the CCG **between 1 July 2009 and the present.**
